

Dr. V's 630's Science Weekly Summary  
Week of November 20th 2017

Monday November 20th: Harvard Study Pretest - Students received their code name and number for the study. Students participated in a the pretest which will be used to compare with their post-test.

Tuesday November 21th: Students were given a vocabulary quiz on the Metric System Quizlet terms. Students were then given an assignment in GC to complete. The assignment was completed by most students during class. Those that did not were reminded that it was due in before school on Wednesday. I was looking for highlighting of the text and the questions completed at the back.

Wednesday November 22nd: 6th grade field trip to the Capital Theatre to see "Wonder"

Thursday November 23rd: Thanksgiving Holiday

Friday November 24rd: Thanksgiving break.
